

#### **NEED HELP? NEED SERVICES?**

- Call 2-1-1
  - Or
- Put your request for help in MyElkhart311

#### **NECESITA AYUDA? NECESITA SERVICIOS A TRAVÉS?**

- Llame al 2-1-1
  - O
- Solicite servicios a traves de MyElkhart311

#### **REPORT DAMAGE:**

- Please let us know about damage on your property via MyElkhart311 and/or 211
- Be aware of potential scams
  - Any repair professional that comes to your property will be coordinated by your insurance company or will be someone with the city
  - Please do not sign anything
    - Reach out to your insurance company or Elkhart's non-emergency number if you want to verify their identity 574.293.2175

#### **DEBRIS REMOVAL:**

- Please refer to the graphic below regarding separation of debris
  - This separation is important so potentially environmentally hazardous materials are easily identifiable
- Place it at the curb and the city will pick it up for disposal
- City Staff will begin burning tree and limb debris at the Toledo Road site on Monday, July 22. This debris will be transported by city staff and is NOT a drop off site for residents.

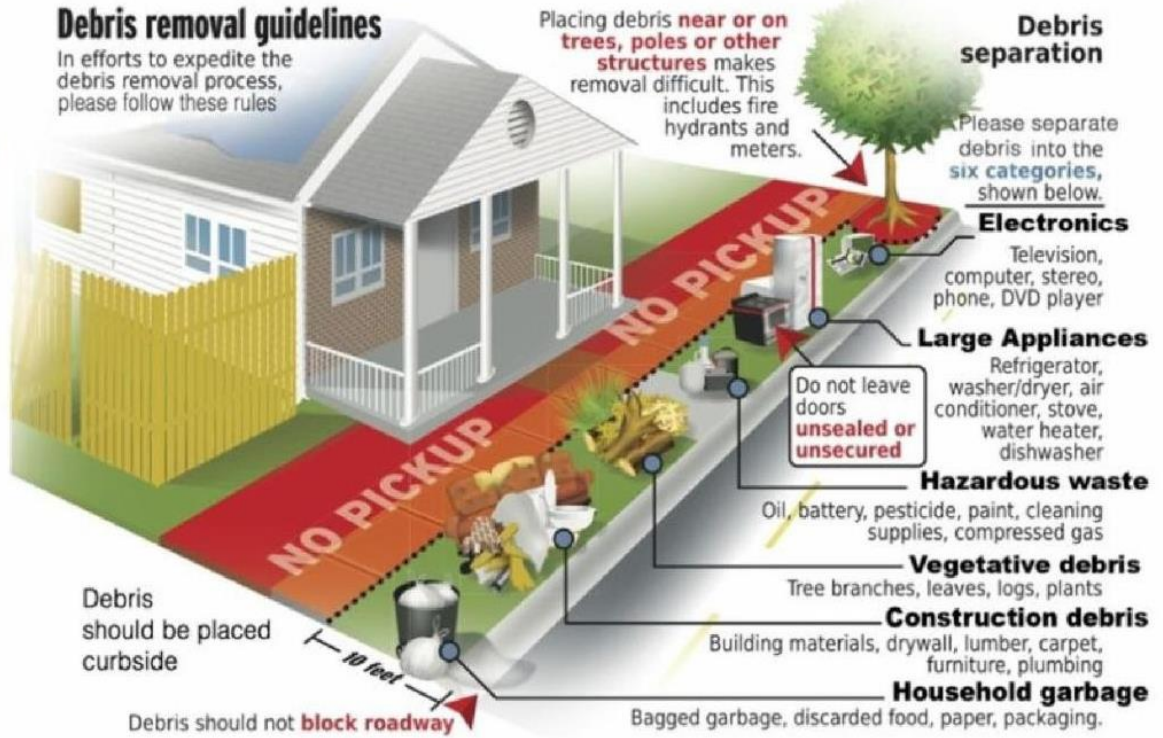

***At approximately 12:20am on Tuesday, July 16, an EF1 tornado touched down near the Hawthorne Elementary building and moved southeast towards S. Main St. / US 33***

***Restoration, cleanup, and recovery efforts are ongoing***

***We will be updating this page as new information becomes available***

### Debris removal guidelines

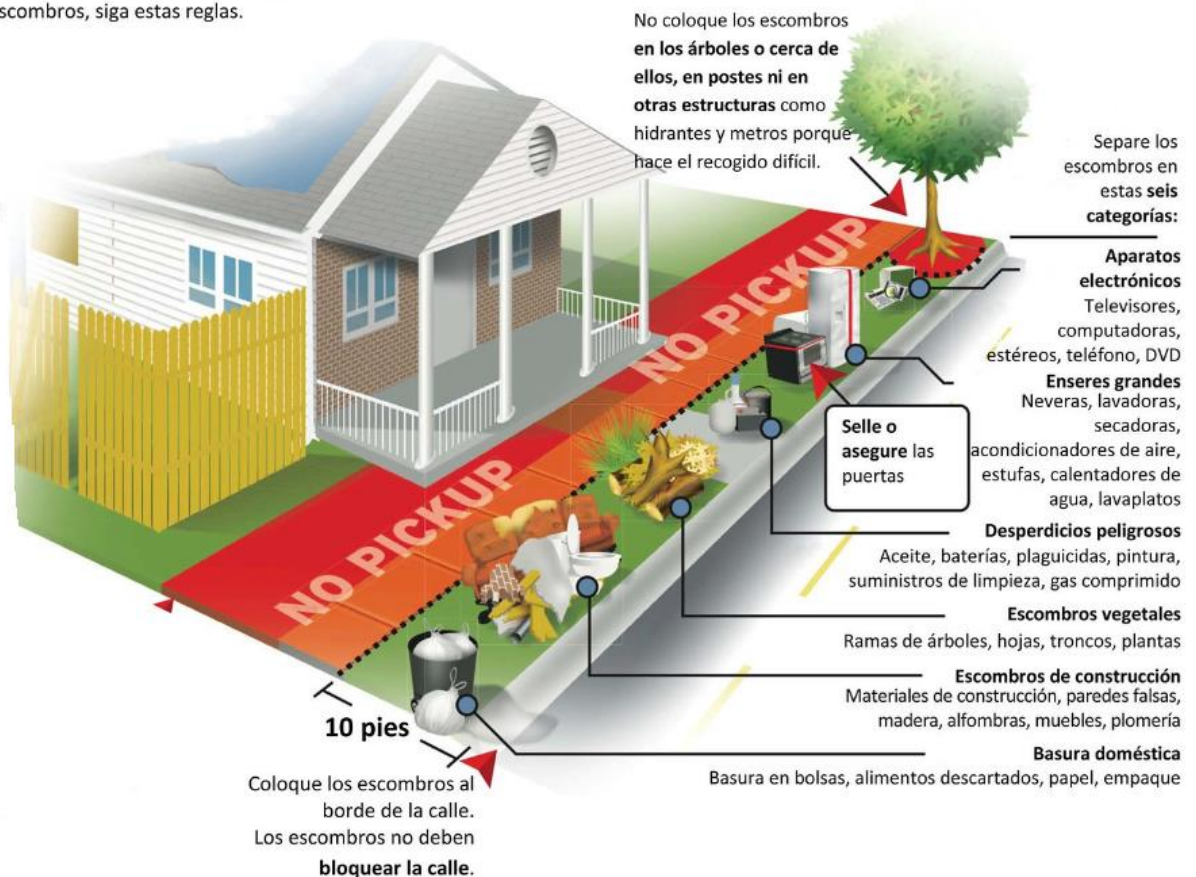

In efforts to expedite the debris removal process, please follow these rules

### Guía para recogida de escombros

Para acelerar el proceso de recogida de escombros, siga estas reglas.
