

FOR IMMEDIATE RELEASE

DATE: October 17, 2024
TO: Local Media Outlet and Critical Water Customers
FROM: City of Elkhart, Public Works and Utilities Department, PWSID IN5220008
SUBJECT: **Temporary Boil Water Advisory Issued**

As a precautionary measure, the City of Elkhart Public Works and Utilities Department hereby issues a **TEMPORARY BOIL WATER ADVISORY** for the City of Elkhart Water Utility. The affected area is:

S 2nd St from W Lexington Ave to W Marion St
S 3rd St from W Lexington Ave to W Franklin St
S 4th St from W Lexington Ave to W Franklin St
W High St from S 5th St to S 2nd St
W Franklin St from S 4th St to S 2nd St

The reason for the boil advisory is a water main break. A limited number of customers are still without water, but water should be restored by 8:00PM on October 17, 2024.

The City anticipates the order will be in effect until the evening of October 19th, but the advisory will remain in effect until the City issues a statement that the Temporary Boil Water Advisory is lifted.

All water from the municipal water system should be boiled for three minutes before use. The City will issue a statement at the time when the Order is no longer in effect. For health related questions and concerns, please seek medical advice from your health care provider or Elkhart County Health Department. Restaurants in the affected area may contact the Elkhart County Health Department at (574) 971-4600 for instructions on operating. For other questions on the **TEMPORARY BOIL WATER ADVISORY**, please contact the Public Works Administrative Office at (574)293-2572.
