

Earth Day

Saturday, April 20, 2024

10:00 AM - 1:00 PM

Elkhart Environmental Center

Hello,

The Elkhart Environmental Center is currently planning our annual Earth Day event which will take place on Saturday, April 20, 2024 at the Elkhart Environmental Center. The event features informational booths from city departments and local organizations with activities and resources for the community, a local food vendor, kids activities, a spring seeds & plant exchange, and (the most popular activity by far) a free tree giveaway.

Sponsorship at any level supports a fun, educational community event that many of our visitors look forward to every year. The legacy of this event is particularly evident in our tree giveaway. Since 2013, we have provided over 2,400 trees to residents across the region. A map of these trees is available on our event page at www.elkhartindiana.org/earthday. This year, we are offering larger trees that are 2-5 ft. arger trees will have a stronger start when replanted throughout the community.

We are hoping that your company would be willing to become a sponsor to support this great event. Donations can be sent to 1717 E Lusher Ave, Elkhart, IN 46516 and made out to the Elkhart Environmental Center.

If you have any questions or would like more information, please don't hesitate to reach out directly by telephone at 574-293-5070, or by email at EECmail@coei.org.

Thank you for your consideration,
