The City of Elkhart
Commemorates April
as Fair Housing Month

On April 11, 1968, President Lyndon Johnson signed the Civil Rights Act of 1968; Title VIII of that law is known as the Fair Housing Act. The Fair Housing Act, as amended, prohibits discrimination in the sale, rental, and financing of housing because of race, color, religion, national origin, sex (including gender identity and sexual orientation), disability and familial status.

A commemoration will take place at the April 3, 2023
City of Elkhart Council meeting
