

CITY HALL ELEVATOR IS TEMPORARILY OUT OF SERVICE

The elevator at City Hall 229 S. Second Street, Elkhart Indiana is temporarily out of service beginning Monday, February 6, 2023 until completed while the elevator is under construction to maintain elevator safety and maintenance. During this temporary interruption in service, the City is recommending individuals with disabilities who require the elevator to appear at City Council or other governmental meetings use the option of WebEx from their personal phone or computer. Alternatively, the City will provide a WebEx opportunity on the first floor of the municipal building for those who choose to appear in person. We apologize for any inconvenience. If you have questions or concerns, please contact the Office of the Mayor at (574) 293-8968.
