

Checklist/Instructions for Fences - Commercial

- Required Application(s):
 - Zoning Permit: Fences – Commercial**

- Required Document(s):
 - Site Sketch:** submit a Site Sketch with the Zoning Permit application, showing where the fence will be on the property. You will also need to show the location of all existing structures on the property.

- Additional Information/Requirements:
 - Before submitting the zoning permit application, you must know the **height, material, and type of fence** that you plan to install.
 - The **finished side** of the fence **must face out** (i.e. the finished side must face your neighbor).
 - The fence can be **up to**, but **not on** the property line.
