

## Checklist/Instructions for Foundation Only - Residential

- Required Application(s):
  - Building Permit: Foundation Only – Residential**
  
- Required Document(s):
  - Site Sketch:** submit a Site Sketch with the Building Permit application, showing where the foundation/structure will be on the property. You will need to include the dimensions of the structure and the distance between the structure and the property lines. You also need to show the location of all existing structures on the property.
  - Construction Plans/Drawings:** submit foundation plans with the Building Permit application.
  
- Additional Information/Requirements:
  - Plan Review:** your application and documents will be reviewed by Permit Center Staff and then submitted to Plan Review. Plan Review occurs every Friday. Once reviewed, you will receive notification by email if your plans have been approved or if additional information is needed.
