INSTRUCTIONS AND FILING PROCEDURE FOR PLANNED UNIT DEVELOPMENTS (PUD)

The City of Elkhart Plan Commission and the City of Elkhart Common Council shall consider all applications for Planned Unit Developments (PUD). The Plan Commission conducts a public hearing at its regular meeting and makes a recommendation to the City Council. The City Council considers the Plan Commission recommendation and makes the final decision. PUD petitions shall be filed by a property owner(s) or a property owner'(s) attorney. The following information is provided as a guide for filing petitions.

Full responsibility for handling and following through on a petition rests with the individual(s) filing the petition. The importance of verifying and submitting a correct legal description, as well as all other required information pertinent to the consideration of the petition cannot be over-emphasized.

The Planning & Zoning Department staff will gladly answer any questions you may have. Please note it is **not** the staff's function to prepare the petition. If you are unable or do not feel comfortable preparing your petition, we would strongly recommend that you consult or hire an attorney to prepare it for you.

A complete Planned Unit Development Petition (see page 2) must be filed with the Planning & Zoning Department located at the Permit Center at 229 S. Second Street, Elkhart, Indiana OR filed through our Online Portal: [Citizen Portal \(civicgov4.com\)](http://civicgov4.com). **Petitions must be filed no later than the filing deadline dates as shown below** on the Plan Commission calendar, and with all required signatures in permanent ink.

PUD Amendment Petitions

1. Minor PUD Amendments are defined in the Zoning Ordinance as the following:

An adverse decision by the Planning Department staff may be appealed to the Plan Commission as per the below bullet point
- All other modifications, except those deemed major as defined below, shall be presented in writing to the Plan Commission. The Commission shall review and reject or approve the proposed changes without a public hearing.

2. Major PUD Amendments are defined in the Zoning Ordinance as the following:

- Change the land area of the PUD;
- Change the density of use of the PUD;
- Allow a use previously not permitted in the PUD; or
- Constitute a change which, in the sole discretion of the Plan Commission, should be considered by the City Council as a new proposed development.

Major PUD Amendments shall be deemed a new application for approval of a Planned Unit Development and shall follow the procedures previously described in these instructions.

PUD & PUD AMENDMENT PROCEDURE

Petitions for PUDs and PUD Amendments are reviewed by the Planning Department staff prior to the public hearing and decision of the Plan Commission. After the hearing the Commission will send their recommendation (do pass or do not pass) to the public hearing and final decision of the City Council.

You or your designated representative must be present at both the Plan Commission meeting and the City Council meeting to make a presentation and answer any questions that may arise. The presentation must include sufficient evidence relating to the **standards listed below** (as well as any other information you feel is pertinent to your petition) to persuade the Commission and Council to grant your request.

After you have completed your presentation, public comments are heard for or against your petition.

You may be allowed to respond to any comments or answer any questions which may arise concerning your petition; this is at the discretion of the Commission Chairman or Council Chairman.

Standards that must be considered for a PUD: The City of Elkhart Zoning Ordinance section 20.1 Purpose (of PUD) contains the standards that must be considered by the Plan Commission and Council for a Planned Unit Development: The proposed PUD or PUD amendment

1. Is in accordance with the Comprehensive Plan;
2. Encourages innovations in development and/or redevelopment;
3. Fosters the safe, efficient, and economic use of the land, transportation, public facilities, and services;
4. Facilitates the provision of adequate public services such as transportation, water, sewer, storm, drainage, electricity, and public parks;
5. Avoids the inappropriate development of lands and provide for adequate drainage and reduction of flood damage;
6. Encourages patterns of land use which decrease trip length of automobile travel and encourage trip consolidation;
7. Minimizes adverse environmental impacts of development;
8. Improves the design, quality, and character of new development;
9. Fosters a more rational pattern of relationship between residential, business, and industrial uses;
10. Protects existing neighborhoods from harmful encroachment by intrusive or disruptive development;

The Planning Department staff will consider these standards when making a recommendation to the Plan Commission. You **must** address these standards within the body of your appeal letter (see page 5).

Notice of the public hearings are prepared by Staff and published in the newspaper 10 days prior to both meetings. Please refer to the Plan Commission calendar (see page 1) for filing deadlines and the meeting location, time and dates. The Plan Commission recommendations are sent to the City Council for hearing and final action. Please refer to the City Council calendar (see page 8) for the meeting location, time and dates.

Once the recommendation is sent to the City Council, the following occurs:

1. The Council has first reading of the proposed ordinance (your request) and then passed on for second and third reading. Public comment is not accepted and you do not need to attend the first meeting.
2. The second and third readings are normally held at the next regularly scheduled Council meeting. The public hearing takes place at this meeting and comments will be heard. **You must attend this meeting in order to make a presentation to the Council or no action will be taken.** It is your responsibility to check with the Council Secretary at 574.294.5471 ext. 1053 to verify the date and time that this meeting will take place. No personal notification is given for Council public hearings.

THIS IS NOT A FILL-IN FORM.
