

City of Elkhart Comprehensive Plan Update

**Adopted
February 02, 2015**

Acknowledgements

The Elkhart Comprehensive Plan Update would not have been possible without the tremendous input, feedback, and expertise of the City of Elkhart’s leadership and staff and the Steering Committee. We would also like to give a special thank you to the countless citizens and business owners who generously devoted their time and creativity in the hopes of building a stronger and more sustainable City.
